

## Healy Blue Dot App/Healy Analysis

NourishedPath.net

### Healy Analysis: AURA+COACHING

#### Numbers in the readings

**%** – Accuracy – how accurate your energy field lines up with the options in the database

\*The lower the percentage the more work you'll have to do to determine what the reading is attempting to point out

\*The higher the percentage the less interpretation we need to do

**1-10 – Intensity level** – the level of presence of the energy in the chakra/energy field + the level of effort to transmute or release the energy

**1**: Easy and quick to address, subtle energy

**10**: Substantial work to be done, make a priority of the topic

#### Letters – Dilution

The localization of the energy in the subtle anatomy, how to address the topic

**LM**: Mental + Spiritual – Based on an erroneous belief system

**C**: Emotional – Emotional body, Emotional charge not expressed

**D**: Physical – Physical body, Well anchored, repressed for a long time, most dense

#### Dilution level (2)

The localization of the energy in the subtle anatomy, how to address the topic

**1-60 I-LX** – Incoherence in actions

**100-400 C-CD** – Incoherence in thought pattern

**1000-2000 M-MM** – Incoherence in the chosen lifestyle, lack of trust

**10,000-100,000** – Incoherence in life theme

#### Dilution level (3)

The localization of the energy in the subtle anatomy, how to address the topic

**1E6**: Karmic, comes from another incarnation

**1E12**: Family, comes from your parents

**1E24**: Family, comes from your grandparents

**1E36**: Ancestral, comes from your ancestors
